

U.S. SMALL BUSINESS ADMINISTRATION
Business Information Center Presents a Seminar on
"Starting a Childcare Business"

Most people who succeed in starting a small business have planned for success.

Childcare services range from small home based operations to large commercial centers. You can start very small, essentially just creating just a job for yourself, or you can grow into a substantial enterprise. The need for quality service is going to continue to increase and the options and opportunities will expand. This seminar will help you gain a better understanding about the license process, regulations, and the requirements for starting and/or expanding a quality day care business in the State of Georgia.

You'll receive valuable information on the following:

- * **How To Become a State Licensed Childcare Provider**
- * **The Day to Day Function of a Quality Childcare Program**
- * **A Manager's and Owner's Responsibility**
- * **Start-Up and Business Planning**
- * **Obtaining a Business Loan**
